

The Danube Seniors Leisure Centre Crest was designed by David Rudsack. The following is one person's interpretation of the symbols used.

The crest is a circle. The **circle** reminds us that life itself is a cycle of birth through death, from one generation to the next. Our seasons, night and day, the passage of a thunderstorm are other examples.

The **Doves**, each carrying an **olive branch**, speak to us of peace and our /great need for love. We have come from many parts of the world to make our homes in Bradford West Gwillimbury. Some of us have lived our entire lives in this part of Canada; others are recent arrivals. While it is important to learn about other people, it is far more rewarding to learn from them.

The name **Danube** is a constant reminder of the generosity of the people who gave this building to us. The **waves** are a further reminder of that river and its surrounding countries.

We would like to think that in the word **Leisure** you will see more than simply recreation, free time, relaxation or taking it easy. Rather it suggests that life is more full when one is given the opportunity to take part and work with others in a variety of pursuits.

The **Maple Leaf?**  
Needs no explanation!

## ***“The Administration And How it Works”***

Our Centre is a non profit organization, which provides a place for Seniors to gather and enjoy each other’s company.

It is run by volunteers giving of their time, either as members of the Board of Directors who serve a two year term, or as volunteers who run the programs, help out in the Kitchen, keep the Library organized, look after the Boutique, etc.

Several men run the Woodshop. The ladies in the craft room are a very creative group of volunteers.

### **We thank them all.**

The Centre is always looking for Members to step into these positions.

## **Important**

It is very important to sign in when you enter and sign out when exiting the building. In case of an emergency we need to have a clear record of who is in the building at the time. You will find the book to sign in always at the front desk. In addition sign in is also required on all program forms.
